

The Neothink® Movement

User Agreement and Privacy Notification

(Terms of Service)

The purpose of this User Agreement and Privacy Notification is to maintain a safe, happy and harmonious experience within The Neothink® Movement where both user and The Neothink® Movement Administration co-exist in a friendly online environment. There will be **no** exceptions in the volunteer compliance of this User Agreement and Privacy Notification by both the user and The Neothink® Movement Administration.

For clarification “the user” means you. “The website” refers to The Neothink® Movement, and “us” means The Neothink® Movement Administration.

The user has the right to refuse accepting these terms outlined in this agreement upon creating an account, which will cancel having an account with The Neothink® Movement. The user also at any time may cancel their account with The Neothink® Movement. Refusal of these terms or cancelling an account will negate the user’s participation within, the usage of, The Neothink® Movement website. The Neothink® Movement Administration and Webmaster have the right to request a user to close their account and leave The Neothink® Movement’s website due to lack of voluntary compliance with this User Agreement and Privacy Notification.

The User Agreement section is regarded as a voluntary legal understanding and agreement between those who have created an account for the purpose of using/participating throughout The Neothink® Movement website and us. This agreement includes those who have an account and are voluntarily using, participating in, The Neothink® Movement website.

Section 1: User Agreement

A. You understand that as a user of the website, you are also a member of The Neothink® Movement. As a member you agree to signing the Members Agreement available in Neothink Member Services section of the website immediately after opening your account on The Neothink® Movement website as well as visiting Neothink Member Services regularly to be knowledgeable about and keep up with the guidelines, policies and procedures listed within the Neothink Member Services group space.

B. You must be 18 years old or older to open an account. Only one account per person is allowed. Sharing an account with spouse, partner or living together person will not be accepted. Each account is for ONLY for one individual.

C. Minors under the age of 16 years of age, with the permission of their parents', may participate as a family member via a parent's account under parental guidance. The liability of this falls on the parent. If a minor does not comply with established guidelines and this User Agreement and Privacy Notification (as expected by all users), the parents will lose their account if the infraction of these by the minor continues after receiving the first (final) warning from The Neothink® Movement Administration. There will be only ONE warning.

D. Minors who are 16 -17 years of age (under 18 years of age), with their parents' permission may open an account of their own in The Neothink® Movement. The liability, however, falls on the teenager plus their parent(s) and their parental guidance. If a teenager with their own account does not comply with established guidelines and this User Agreement and Privacy Notification (as expected by all user/participants), the parents will be notified and the minor who is under the age of 18 (teenager 16 -17 years of age) will lose their account if the infraction of these continues after receiving the first (final) warning from The Neothink® Movement Administration. There will be only ONE warning.

E. All who open an account on The Neothink® Movement also agree to voluntarily be in full alignment through their participation or actions within The Neothink® Movement website with The Prime Law. This is a community dedicated to the actualization of the Neothink® supercivilization aka the Twelve Visions World, and as a community voluntarily (unitedly) is in harmony with The Prime Law:

***The Prime Law**

The fundamental of Protection

Preamble:

- The purpose of human life is to prosper and live happily.
- The function of government is to provide the conditions that let individuals fulfill that purpose.
- The Prime Law guarantees those conditions by forbidding the use of initiatory force, fraud, or coercion by any person or group.

Article 1:

No person, group of persons, or government shall initiate force, threat of force or fraud against any individual's self, property, or contract.

Article 2:

Force is morally and legally justified only for protection from those who violate Article 1.

Article 3:

No exceptions shall exist for Articles 1 and 2.

*The Prime Law is the fundamental natural law of protection (that directs all decisions and actions of the Mentors and Members of The Neothink® Movement and The Neothink® Society who agree); the Prime Law may not be amended (or changed).

All users (members) of The Neothink® Movement website further acknowledge their full understanding that the mechanics come down to consistently, always without exception, supporting the biologically irreducible fundamental act of protection, The Prime Law of **NO** initiatory force. That The Prime Law of Protection must control the members, not the other way around. Therefore, every decision made by the user, even if it goes against the very grain of his/her mind, heart and soul will be made purely on abiding by The Prime Law. Each user realizes this policy will bring forth a profoundly free, healthy, and safe society/community even within The Neothink® Movement website.

If a user knowingly goes against The Prime Law of Protection, for any decision for any reason whatsoever, which is self-evident, the user will lose his/her account to The Neothink® Movement, **NOT** his/her membership to The Neothink® Society. The user as a member of The Neothink® Society will have the opportunity to better themselves, learn from their error, and move forward in a more honest life with the hope of turning their life and decision-making abilities around in order to make it into the Neothink® supercivilization aka the Twelve Visions World. The user will **NOT** ever be reinstated as a user of The Neothink® Movement website if he/she deliberately breaks, goes against, The Prime Law.

F. All users agree to being recorded. This website hosts online events that are recorded. All users voluntarily agree to all guidelines, procedures, and policies regarding attending the online meetings and events.

Code of Conduct expected of each user:

All users while happily enjoying the great life enhancing benefits/social advantages offered and participating within The Neothink® Movement website will be expected to be on their universal “good” behavior; standard etiquette will be expected; including:

- Demonstrating empathy and kindness toward other people.
- Being respectful of differing opinions, viewpoints, and experiences.
- Giving and gracefully accepting constructive feedback.
- Accepting responsibility and apologizing to those affected by your mistakes and learning from the experience.
- Focusing on what is best not just for us as individuals, but for the overall Neothink community.
- Never speaking or doing anything slanderous in regard to Mark Hamilton, Steve Rapella, Certified Mentors, Mentees and Members of the Neothink® Movement.

All users will be expected to voluntarily comply with The Neothink® Society Meeting Guidelines, The Neothink® Society Online Spam Policy, The Neothink® Movement Conflict Resolution Process for Disputes (Mediation), The Neothink® Movement Posts, Articles and Chat Guidelines plus any other guidelines, policies and procedures presented in the Neothink Member Services group space.

There are **NO** exceptions. All users will be expected to voluntarily familiarize themselves with the above policies, procedures and guidelines mentioned. Voluntary compliance will be expected.

Those who do not voluntarily comply with this Code of Conduct, will not be allowed to have an account on The Neothink® Movement website, but will be able to remain a member of The Neothink® Society as a chance to improve themselves, learn from their error, and move forward in a more honest life with the hope of turning their life and decision-making abilities around in order to evolve into the Neothink® supercivilization aka the Twelve Visions World.

The Neothink® Movement Administration has the right and responsibility to remove, edit, or reject comments, replies, commits, code, wiki edits, issues, and other contributions that are not aligned to this Code of Conduct, and will communicate reasons for moderation decisions as appropriate.

The Neothink® Movement is dedicated to having a harassment-free experience for all members, regardless of age, body size, visible or invisible disability, ethnicity, sex characteristics, gender identity and expression, level of experience, education, socio-economic status, nationality, personal appearance, race, caste, color, religion, or sexual identity and orientation. There will be no bullying, ethnic or gender condemning and/or any type of bigotry. **Everyone is welcome on The Neothink® Movement!**

This agreement includes these examples of unacceptable behavior that will **not** be tolerated:

- The use of sexualized language or imagery, and sexual attention or advances of any kind.
- Trolling, insulting or derogatory comments, and personal or political attacks.
- Public or private harassment of any kind.
- Publishing yours or others' private information, such as a phone number, physical or email address. No one is allowed to data mine the membership of The Neothink® Movement. All private information on The Neothink® Movement website is safe and secure. This online community has a private chat aspect where all can individually interact with each other. There is no reason for anyone to be giving out, publishing, their or others private information.
- Other conduct which could reasonably be considered inappropriate in a professional setting.

Furthermore, any illegal activity (SPAM, phishing, etc.), advertising/marketing/promoting products or services to the members (users) of The Neothink® Movement, and adult/explicit content sharing will be cause for any user's account to be revoked. There will be NO exceptions and no warnings. The Neothink® Movement is dedicated to having a "family-friendly" harmonious happy environment. Please keep in mind that families at their parents' parental guidance and discretion will also be participating within this website. The Neothink® Movement is pro family and encourages family participation.
